Hi Dee,

I will have it finished today if that works for your needs. Thursday was filled up with finishing the U&O TSD and I was out on Friday. Thanks for all the examples, that will make it much easier to complete!

Hi Stuart,

Please provide an update on the status of the draft briefing paper.

Thanks,

I talked with Debbie Jordan about the U&O FIP. Can we pull a fact sheet and timeline together that I can send her? Maybe use the last paper we did for Shaun or the Tribe and add some details around the controls we would require for existing sources (that they are consistent with UT's are not inconsistent with the CTGs).

Thanks
